

Membership Questionnaire

Gathering data is a necessary part of our lives within the church. It helps us to communicate with others, be aware of important dates and events; all which adds to the ministry we are called to share.

Please help us in this quest by filling out the questionnaire below. Please complete those sections you feel are appropriate. Please be as accurate as possible and include those children under 18. If you have a child residing with you over 18, please have them fill out their own questionnaire.
